SUBJECT: USF Police Department Encourages
Drivers to Buckle Up. Every Trip. Every
Time.

[Tampa, FL] The USF Police Department w
-16, 2013. Officers will be placing special emphasis on
enforcement of seat belt laws. USFPD wants to remind all drivers, whether
f the best ways
to ensure a safe arrival is to buckle up, every trip, every time.

According to the
Safety Administration (NHTSA), seat belts saved more than 12,500 lives
nationwide during 2010 alone. In fact, research shows that the risk of fatal injury
to front seat passenger car occupants is reduced by 45 percent, and the risk of
moderate to serious injury is reduced by 50 percent, when seat beats are worn
correctly.

Yet, too many people are
