

Teaching Experience:

University of South Florida: Emeritus Professor, 2003. Professor, 1991-2003 (Courtesy Professor of Criminology, 1991-94); Associate Professor, 1978-91 (tenured, 1979); Assistant Professor, 1975-78; Instructor, 1972-75. Joint appointment in Department of Pathology and Laboratory Medicine, College of Medicine, 1991-2003.
Faculty, US Soil Conservation Service Social Science Seminar, 1980/81
Adjunct Lecturer, Shoreline Community College, 1969.
Graduate Teaching Assistant, University of Arizona, 1968-1971.

Courses Taught:

Intro to Anthropology, Physical Anthropology, Physical Anthropology Lab and Field Methods, Primate Biology, Culture and Human Evolution, Human Variation, Paleoanthropology, Graduate Seminar in Physical Anthropology, Forensic Anthropology; Major Issues-Violent Crime (University Honors Program); Anthropology Undergraduate Honors Seminar

Honors, Awards, Biographies:

Emeritus Professor, 2003-.
Outstanding Faculty Member, USF Student Disability Services, 2003.
Member of Honor, Cuban Society of Biological Anthropology, 2001.
Invited guest - University of Havana, Cuba: March, 1993.
Pi Gamma Mu: Honorary Member, 1992.
USF President's Distinguished Service Award, 1989.
USF Faculty Torchlight Honor Guard: 1977, 1979, 1988 (eight faculty members selected annually by the Senior Class).
USF President's Distinguished Affirmative Action Award, 1986.
Certificate of Appreciation: President's Affirmative Action Awards, 1985.
Listed in: American Men and Women of Science, Who's Who in the South and Southwest, Who's Who in Science and Engineering, Who's Who in the World, Men of Achievement.
NSF Chautauqua Fellow, 1974-75.
Full tenure NSF Graduate Traineeship, 1968-72.

Professional Memberships (current and past):

Fellow: American Academy of Forensic Sciences
Fellow: Human Biology Association
Fellow: Society for Applied Anthropology
American Association of Physical Anthropologists
Sigma Xi
Florida Academy of Sciences: Anthropological Sciences Section
Sun Coast Organization of Practicing Anthropologists
National Center for Science Education
Paleopathology Club
Florida Anthropological Society

Civic and Public Service Activities:

Friends of the Hillsborough County Museum, 1973-98; Board of Directors
1979-80, 1982-84, Membership Coordinator 1983-84.
Co-Chair, Florida Gulf Health Systems Agency Subcommittee on Disease Screening, 1978-79.
Florida Regional Medical Program: Chair, Florida Hypertension Conference, 1977; Florida Hypertension Program Comm., 1976-77.
Hillsborough County Museum Collections Advisory Panel, 1979-82.
Greater Tampa Chamber of Commerce Education Council, 1981-82.
Board of Trustees, National Kidney Foundation of Florida, 1985-88;
Long Range Planning Committee, Airplane Toss Planning Committee, 1987-88.
Book Reviewer, Tampa Tribune, 1975-87.
Over 300 guest lectures, media appearances, and interviews.
Occasional Workshops for Tampa Bay area secondary teachers

System, University, College, and Departmental Service:

State University System Service:

Coordinator, Interdisciplinary Social Sciences Common Course Numbering, 1994-97.

University Service:

Neutral Umpire, Faculty Grievance, Academic Affairs: 2006, 2007.
Faculty Advisor, Premedical Honor Society, 2002-03
SASS Director Search Comm., 2002-2003.
University/Community Initiative Grants Comm., 2000-02.
Athletics Fee Advisory Comm., 1999, 2001.
Financial Aid Appeals Comm., 1999-.
Chair, Associate Registrar Search Comm., 1999 (two searches).
Latin America/Caribbean Studies Policy & Management Comm., 1998-2000.
Equal Opportunity Officer: Undergraduate Studies, 1998-.
Faculty/Staff Fund Team Leader, Passport Scholarship Program, 1998.
Cuban Studies Committee, Co-chair: 1996-98; Chair, Strategic Planning Comm., 1997-98.
Caribbean and Latin American Initiative Exchange and Study Abroad Comm. 1995-96.
Faculty Athletics Representative to NCAA and Metro Conference/Conference USA, Athletics Association Board of Directors, 1994-99; University Committee to monitor academic progress of student/athletes, 1994-96; Athletic Facility Building Comm., 1996; Conference USA subcomm.: Impact of scheduling on academics, 1996; Conference USA Nominating Comm., 1997-99; USF NCAA Certification Steering Comm., 1997-98;
NCAA Peer Reviewer Workshop, 1998; NCAA Peer Review Site Visit, 1999.
University Graduate Council, 1982-86; Chair, Graduate Catalog Staff Fund Team LEad Fellow TEAMs Tw T*

Subcommittee, 1986; Search Committee, Men's Tennis Coach, 1989; Head Football Coach Screening Team, 1995; searches for Men's and Women's Basketball, Men's Golf, Softball, 1996; Volleyball, 1999; Chair, Student/Athlete Academic Status Monitoring Subcomm., 1997-99.

Faculty Senate, 1977-80: Committee on Elections, 1978-79; Chair, Committee on Committees, 1979-80. Search Committees: VP for Student Affairs, 1978; Dean of Continuing Education, 1979; Director of Sponsored Research, 1980; Chair, Committee on Teaching Schedules, 1979; Ad hoc

Professional Service (cont.):

- Session Facilitator: Teaching in Higher Education. Annual Meeting, AABSS, Las Vegas, 2005.
- Session Facilitator: Issues in Higher Education. Annual Meeting, AABSS, Las Vegas, 2005.
- Session Facilitator: Social Issues. Annual Meeting, AABSS, Las Vegas, 2004.
- Local Arrangements Committee, American Association of Physical Anthropologists (AAPA), 2003-2004.
- Organizer and moderator: Panel: Non-traditional Careers. AAPA Annual Meeting, Tempe, AZ, 2003.
- Session Facilitator: Grantsmanship for the New Professor. Annual Meeting, AABS Las Vegas, 2003.
- Session Facilitator: Race, Ethnicity, and Gender. Annual Meeting, AABSS, Las Vegas, 2002.
- Organizer and moderator: Panel: Ask the Editors-The Dos and Don'ts of Journal Publishing. AAPA Annual meeting, Buffalo, 2002.
- Session Facilitator: Social Issues. Annual Meeting, AABSS, Las Vegas, 2001.
- Workshop organizer: Student concerns upon contemplating career entry. American Association of Physical Anthropologists (AAPA) Annual Meeting, Kansas City, 2001.
- Session Moderator: Age, Stature, Trauma, and Case Studies, Annual Meeting, American Academy of Forensic Sciences (AAFS), Reno, 2000.
- Workshop organizer and moderator: Getting That First Professional Position. AAPA Annual Meeting, San Antonio, 2000.
- Editorial Board, Practicing Anthropology Commemorative Volume, 1998.
- International Scientific Committee, V Simposio de Antropologia Fisica "Luis Montane," 1995-96.
- Human Biology Association *ad hoc* Education and Training Comm., 1995-.
- Owner, PAJOBS: Internet list on bioanthropology careers, 1994-.
- Session President: Forensic Anthropology, Fourth Luis Montane Symposium on Physical Anthropology; Havana, Cuba, 1994.
- International Scientific Committee, IV Simposio de Antropologia Fisica "Luis Montane," 1993-94.
- Reviewer, National Research Council study of anthropology research-doctoral programs, 1993.
- Session President: Climate and Biological Diversity, Third Luis Montane Physical Anthropology Symposium; Havana, Cuba, 1992.
- Panelist, "Strategies and Prospects for Increasing Financial Support for Undergraduate Instruction in Psychology." 14th Annual National Institute on the Teaching of Psychology, St. Petersburg Beach, Florida, 1992.
- Session Moderator, "Twentieth Anniversary Presentations." Physical Anthropology Section, American Academy of Forensic Sciences

Professional Service (cont.):

Corresponding Editor, *Practicing Anthropology*, 1982-87, 1990-2002.
Co-editor, Special Issue on *Practicing Anthropology in Cuba and the Caribbean Basin*, 21/3, 1999; Special issue on *Applied Biomedical Anthropology*, 8:1/2, 1986.

Organizer and Chair, Symposium on Health, Health Care, and Anthropology in Florida. Annual Meeting of the Florida Academy of Sciences, 1987.

Session Chair, Physical and Medical Anthropology, Annual Meeting, Florida Academy of Sciences, St. Leo.

Referee: *Florida Anthropologist*, *Forensic Science International*, *Collegium Anthropologicum*, *The Connective Tissue*, *American Journal of Human Biology*, *Florida Scientist*, *Yearbook of Physical Anthropology*, *Human Biology*, *American Journal of Physical Anthropology*, *American Association of Physical Anthropologists Annual Meeting Abstracts*, *Practicing Anthropology*, *Human Organization*, *American Anthropologist*, *National Science Foundation*, *American Association of Behavioral and Social Sciences Journal*.

American Association of Physical Anthropologists: Annual Meeting Plenary Session Co-organizer and Moderator, 1990 (Non-Traditional Careers in Physical Anthropology), 1996 (The Future of Physical Anthropology); Career Development Committee, 1988-present (Chair, 1989-2003).

Guest Editor, *Medical Anthropology Quarterly*: 3:4, 1989.

Florida Academy of Sciences, Executive Council, 1986-88;
Anthropological Sciences Section, Chair-elect, 1985-86; Chair, 1986-87; Chair, Student Awards Committee, 1987-88.

Research Interests:

Physical anthropology, cultural influences on human biology, human population biology, biology of black, Cuban and Cuban-American populations, biomedical anthropology, forensic anthropology.

Research and Scholarly Activity:

Book:

1978 Instructor's Manual to accompany The Emergence of Man (3rd Ed.) by John Pfeiffer. Harper and Row, New York.

Chapters:

2007 Comparative reflectometry and anthropometry of Afro-Cuban men from Havana, Cuba and Tampa, Florida, U.S.A. In: Contribuciones a la Antropología Física Latinoamericana 5. Instituto de Investigaciones Antropológicas, Universidad Nacional Autónoma de México. Mexico City, Mexico: Pp. 71-77 (Sr. author, with Dr. Antonio Martínez Fuentes). ISBN: 18708099

Chapters (cont):

- 2002 Teaching Physical Anthropology at a University: The Traditional Career. In: A Guide to Careers in Physical Anthropology, A. Ryan, ed. Bergin & Garvey, Westport, CT. Pp. 21-41.
- 1999 An atypical cranium: trauma and asymmetry mimic congenital pathology (Sr. author, with J. E. Wood, M.D.). In: Broken Bones: Anthropological Analysis of Blunt Force Trauma, A. Galloway, ed. C.C. Thomas, Springfield, IL. Pp. 315-21.
- 1997 Biological anthropology: The current state of the discipline (updated, revised). In: Biological Anthropology: The State of the Science, N. Boaz, L. Wolfe, eds., 2nd ed. International Institute for Human Evolutionary Research: Bend, Oregon. Pp. 255-277.
- 1996 The comparative anthropometry and reflectometry of Cubans and Cuban-Americans. In: Contribuciones a la Antropologia Fisica Latinoamericana IIa. Instituto de Investigaciones Antropologicas, Universidad Nacional Autonoma de Mexico. Mexico City, Mexico: Pp. 71-77 (Sr. author, with Dr. Antonio Martinez Fuentes).
- 1995 Biological anthropology: The current state of the discipline. In: Biological Anthropology: The State of the Science, N. Boaz and L. Wolfe, eds. International Institute for Human Evolutionary Research: Bend, Oregon. Pp. 251-267.
- 1984 Sex determination from human skeletal remains: a case of a mistaken assumption. In: Case Studies in Forensic Anthropology, T. Rathbun and J. Buikstra, eds. C.C. Thomas, Springfield, Ill. Pp. 229-243.

Refereed Articles:

- 2001 The anthropological perspective on race: An historical overview. Perspectives: American Association of Behavioral and Social Sciences Journal, 4:34-38.
- 2000 The application of FORDISC 1.0 to the analysis of documented contemporary Cuban crania: A test. Proc. Amer. Acad. For. Sci. VI:231 (2nd author, with H. Soto Izquierdo and C. Grenet Orbe).
- 1996 A torticollic skull derived from a phenotypically normal adult. Proc. Amer. Acad. For. Sci. II: 180 (Sr. Author, with J. E. Wood, M.D.).

Refereed Articles (cont.):
