

Graduate Program in **APPLIED PHYSICS**

TAILORED COURSE WORK

- Research-Specific
- Customizable
- Small Classes

INDUSTRIAL PRACTICUM

- National Companies
- National Labs
- 2-12 Weeks
- Competitive Stipends
- Tuition Waiver
- Fellowships
- Health Insurance

RESEARCH AREAS

Condensed matter and materials physics
Atomic, molecular, and optical physics
Computational physics
Biophysics
Medical Physics

WHAT WE OFFER

- ✓ Time to Ph.D. nearly 1 year less than the US average
- ✓ High graduation and placement rate
- ✓ Growing Metropolitan Area
