Concurrency (please select one)

Not Applicable - I confirm that this action does not impact or is not affected by other departments/colleges, so no concurrency is needed.

Applicable - I confirm that I have researched potential concurrency issues and have notified relevant departments/colleges of this proposed curriculum/course action - please have the appropriate concurrency form (Undergraduate [http://ugs.usf.edu/pdf/curriculog/concurrency_agreement_curricula.pdf] or [Graduate Curriculum Concurrency Form](#)) signed and upload it to the proposal in Curriculog.

Has Graduate Studies "clear" the proposal in Curriculog? yes no*

*Proposed curriculum should be submitted to OGS for a compliance check through Curriculog prior to moving forward for department approval. It is not required to do this before receiving department approval, but it could help save faculty time with the review process if the curriculum requires changes for compliance.
