

Memorandum for the Director of the Florida Board of Governors (the "Board") regarding the proposed reorganization of the Board of Governors of the State University System (the "System") to address the impact of the COVID-19 pandemic on the System's operations and the need to ensure the System's financial stability and the well-being of its students and faculty.

WHEREAS, the Board of Governors of the State University System (the "Board") has the honor to acknowledge the significant impact of the COVID-19 pandemic on the System's operations and the need to ensure the System's financial stability and the well-being of its students and faculty;

WHEREAS, the Board of Governors of the State University System (the "Board") has the honor to acknowledge the significant impact of the COVID-19 pandemic on the System's operations and the need to ensure the System's financial stability and the well-being of its students and faculty;

NOW THEREFORE, the Board of Governors of the State University System (the "Board") hereby resolves that it is the policy of the Board to ensure the System's financial stability and the well-being of its students and faculty by reorganizing the Board of Governors of the State University System (the "Board") to address the impact of the COVID-19 pandemic on the System's operations and the need to ensure the System's financial stability and the well-being of its students and faculty.

1. The Board of Governors of the State University System (the "Board") shall be required to ensure the System's financial stability and the well-being of its students and faculty by reorganizing the Board of Governors of the State University System (the "Board") to address the impact of the COVID-19 pandemic on the System's operations and the need to ensure the System's financial stability and the well-being of its students and faculty.
2. Regardless of whether they are currently serving on the Board of Governors of the State University System (the "Board"), all members of the Board of Governors of the State University System (the "Board") shall be required to ensure the System's financial stability and the well-being of its students and faculty by reorganizing the Board of Governors of the State University System (the "Board") to address the impact of the COVID-19 pandemic on the System's operations and the need to ensure the System's financial stability and the well-being of its students and faculty.
3. The Board of Governors of the State University System (the "Board") shall be required to ensure the System's financial stability and the well-being of its students and faculty by reorganizing the Board of Governors of the State University System (the "Board") to address the impact of the COVID-19 pandemic on the System's operations and the need to ensure the System's financial stability and the well-being of its students and faculty.
