Completions Overview

Welcome to the IPEDS Completions survey component. The Completions component is one of several IPEDS components that is conducted during the Fall data collection period. It collects the number of degrees and certificates awarded by field of study, level of award, race/ethnicity, and gender. The reporting period for the Completions component is during the 12-month time period beginning July 1 of the previous calendar year and ending June 30 of the current calendar year; therefore,

Completers by Level

Institutions must report the following information. This screen will be shown for each of the following award categories for which completions have been reported:

Less than 1-year certificates

<u>White</u>		38
Two or more races		2

Completers by Level

Institutions must report the following information. This screen will be shown for each of the following award categories for which completions have been reported:

Less than 1-year certificates

At least 1 but less than 4-year certificates

Associate's degrees

Bachelor's degrees

Master's degrees

Doctor's degrees

Postbaccalaureate

• 1000 DOCUMENTS

Master's degrees

Number of students by gender, by race and ethnicity, and by age earning this award between July 1, 2012 and June 30, 2013. Each student should be counted once per award level. For example, if a student earned a master's degree and a doctor's degree, he/she should be counted once in master's and once in doctor's. A student earning two master's degrees should be counted only once.

Report Hispanic/Latino individuals of any race as Hispanic/Latino

Source	Description	Severity	Resolved	Options
; `cVU`'9X]hg				
Perform Edits	Your institution reported in the prior year Institutional Characteristics survey that it offers undergraduate distance education opportunities (courses and/or programs), but you did not respond "Yes" to the distance education program question for any CIP code (award levels 1 to 5). Please correct your data or explain if your institution does not offer full programs via distance education. (Error #10585)	Explanation	Yes	
Reason: The university offers online courses but does not exclusively award online degrees.				
Perform Edits	Your institution reported in the prior year Institutional Characteristics survey that it offers graduate distance education opportunities (courses and/or programs), but you did not respond "Yes" to the distance education program question for any CIP code (award levels 6 to 19). Please correct your data or explain if your institution does not offer full programs via distance education. (Error #10587)	Explanation	Yes	
Reason: The university offers online courses but does not exclusively award online degrees.				
Perform Edits	Current year completions (94) are outside the expected range when compared to completions reported in the prior year (55) for: Women, 2-digit field (13), award level (5). Please correct your data or explain. (Error #10506)	Explanation	Yes	
Reason: The university experiences variability in enrollments, so there is a corresponding variability in completions.
