

**UNIVERSITY OF SOUTH FLORIDA
General Education Council
Minutes of March 7th, 2011**

Present: Jane Noll

controversial topics in public health. The course covers current public health topics including biomedical issues, social & behavioral factors related to health, and environmental issues.

Course Review Issues

- **EUH2022 – The Medieval West** - GEC voted to accept the proposed change from the Social and Behavioral Science Core area to the Humanities Core area.

Committee Reports

- **Marketing** – The council discussed which parties (students, instructors or advisors) on which to prioritize marketing efforts. Since advisors are already well-briefed on the FKL requirements, it was decided to prioritize marketing efforts to students and instructors. The council also discussed the need for a marketing plan for the course.
